SUMMARY

Passionate Machine Learning Engineer with experience in PyTorch, NLP, and FastAPI deployment.

SKILLS

Python, PyTorch, TensorFlow, Scikit-Learn, Pandas, NumPy, FastAPI, Docker, PostgreSQL, AWS

EXPERIENCE

Machine Learning Engineer - Cyberdyne AI Systems | 2020 - Present

- Developed LLM fine-tuning pipelines and RAG applications using Python and Vector DBs.

EDUCATION

Master of Science in Artificial Intelligence - Columbia University | 2018 - 2020

PROJECTS

Neural Search Engine - Built vector search API with Python, FAISS and FastAPI.

CERTIFICATIONS

Deep Learning Specialization - Coursera / DeepLearning.AI
